## I. Login and Register Page

### a) Login

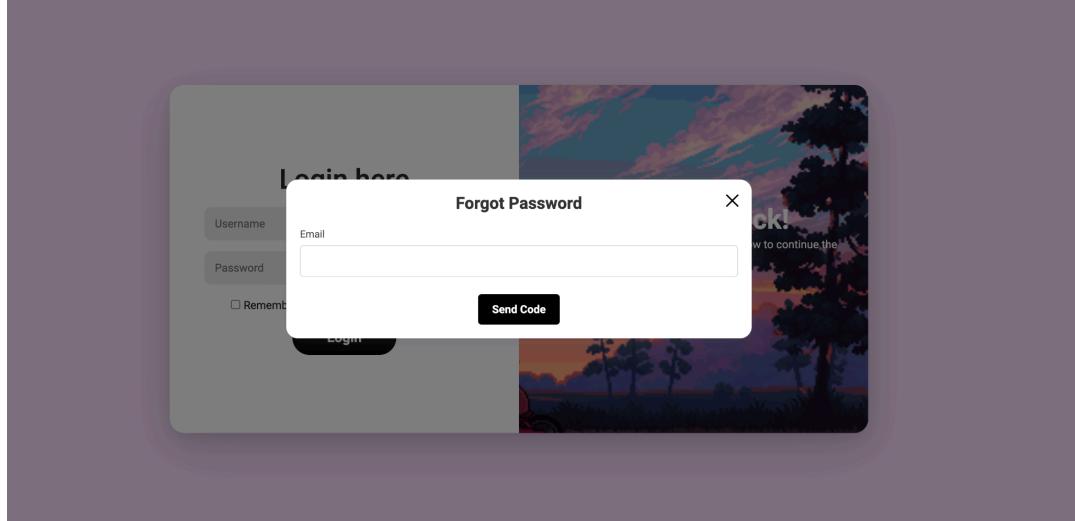

Description:

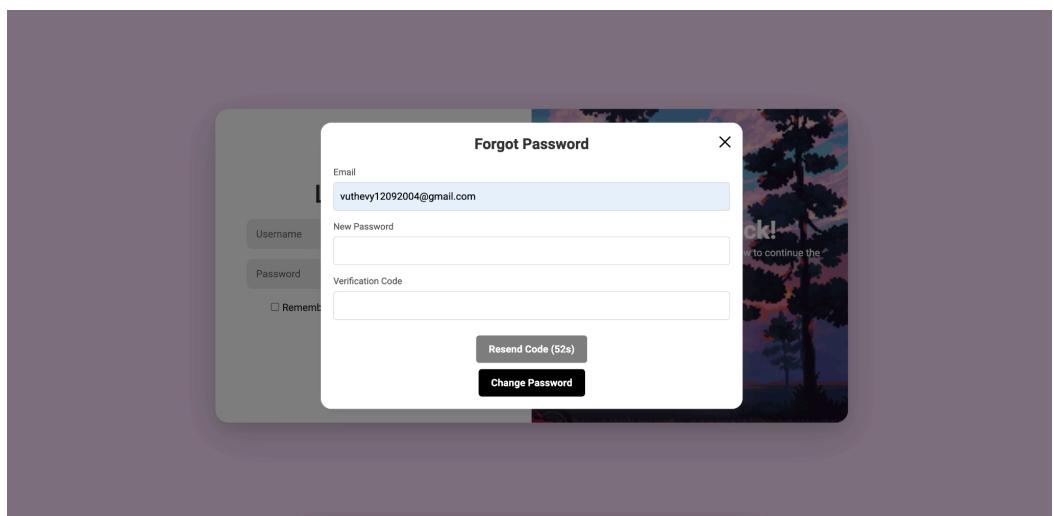

- Used to log into the forum, users must enter the username and password they registered with. After successful login, they are directed to the dashboard.

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

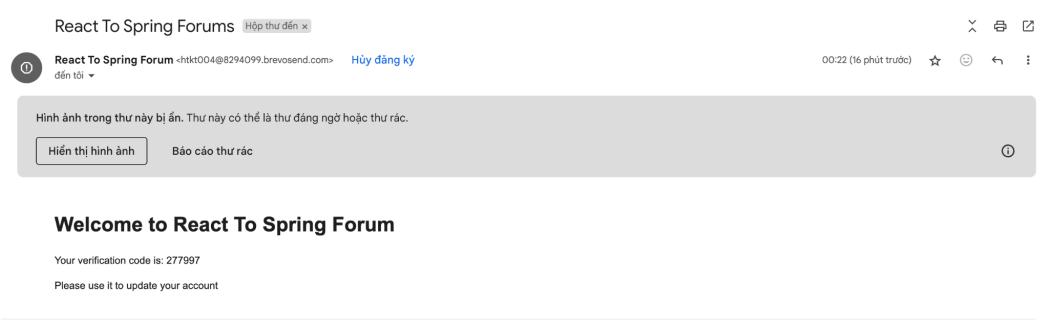

- **Forgot password:** Users can recover their password if forgotten. When clicked, a modal appears asking the user to enter the email used to register their account.

- At this point, a modal will appear to change the password.

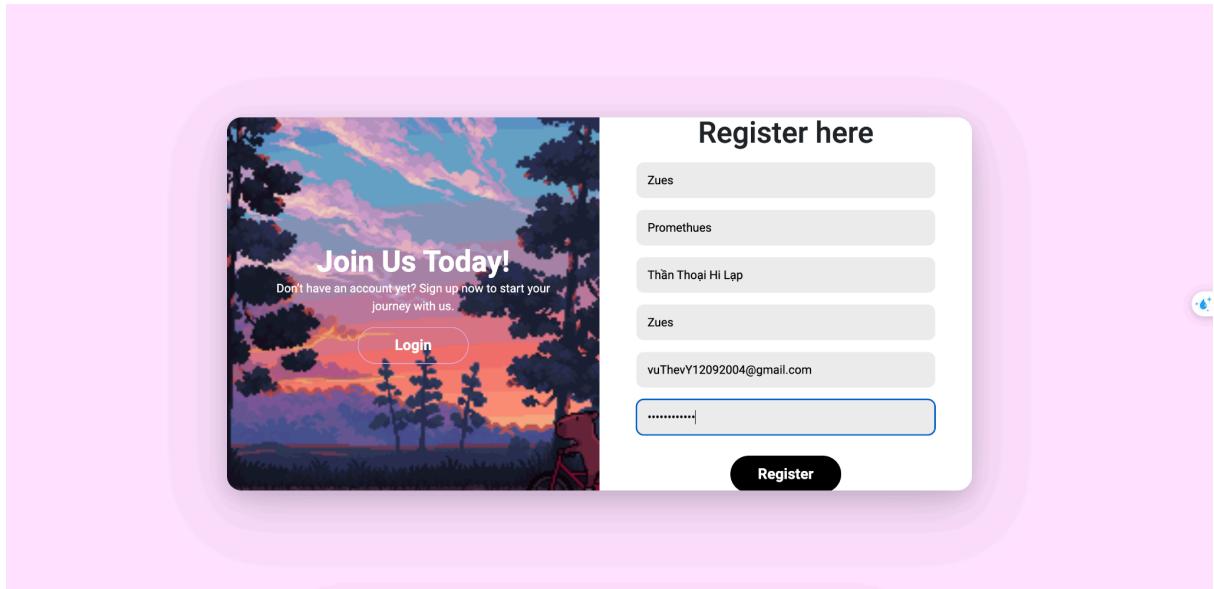

- Users need to open their email to retrieve the verification code.

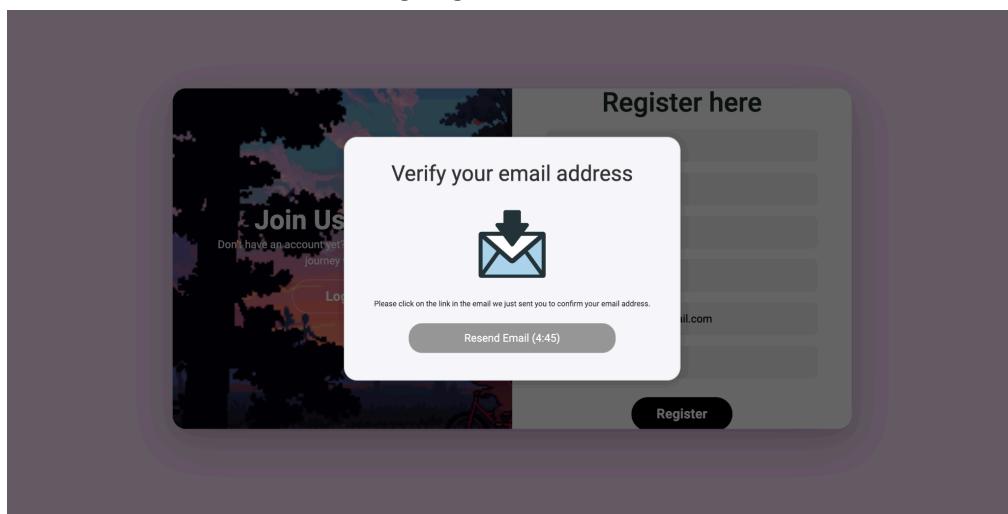

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

## b) Register

### Description:

- Used for account registration, the users have to fill out all the required information and then clicking register button.

- After clicking registration, the users have to open their email to confirm.

### Welcome to React To Spring Forum

Hello lecaotuanvu,

Your verification code is:

[Click here to verify](#)

[← Trả lời](#) [↪ Chuyển tiếp](#) [😊](#)

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

- After confirmation, the users will be redirected to result page where the result of the confirmation will be displayed. From there, you can go back to the login page.

## Verification Successful!

Thank you for verifying your account

Your account has been successfully verified. Check your dashboard now.

[Back to Login](#)

## Verification Failed!

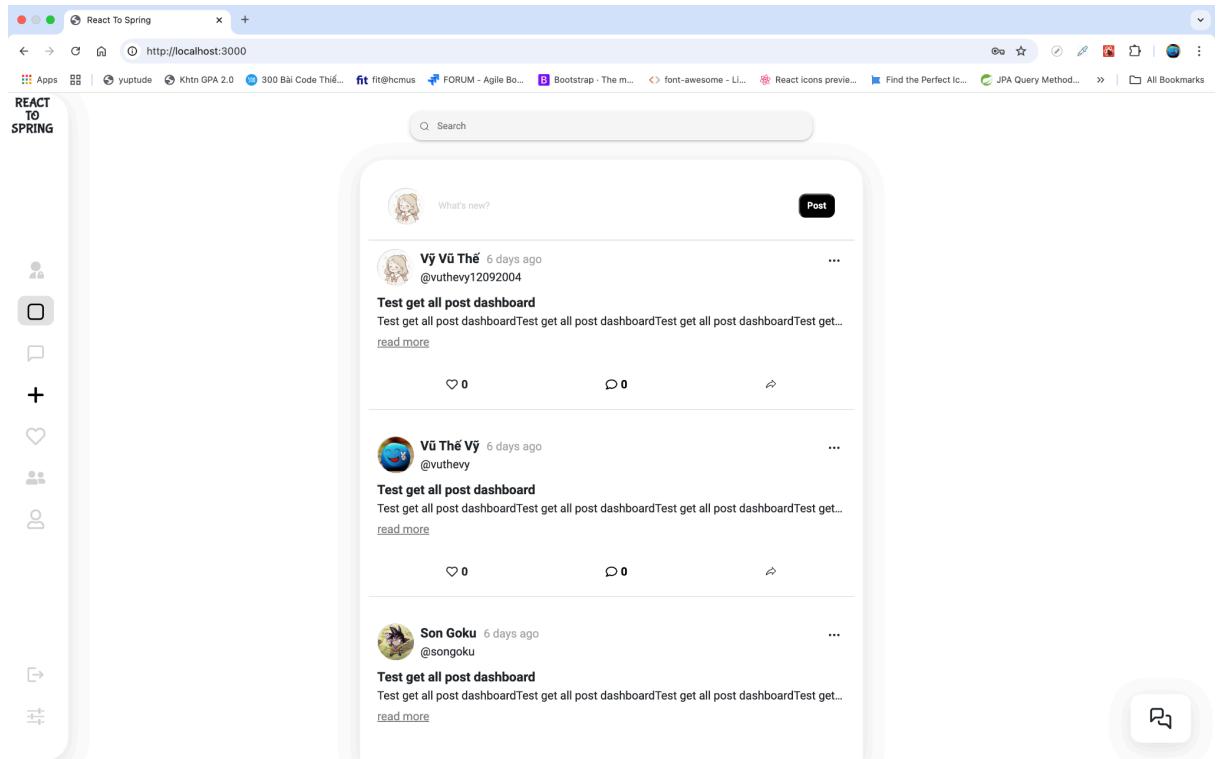

Verification failed. Please try again or contact support if the problem persists.

## II. Dashboard page

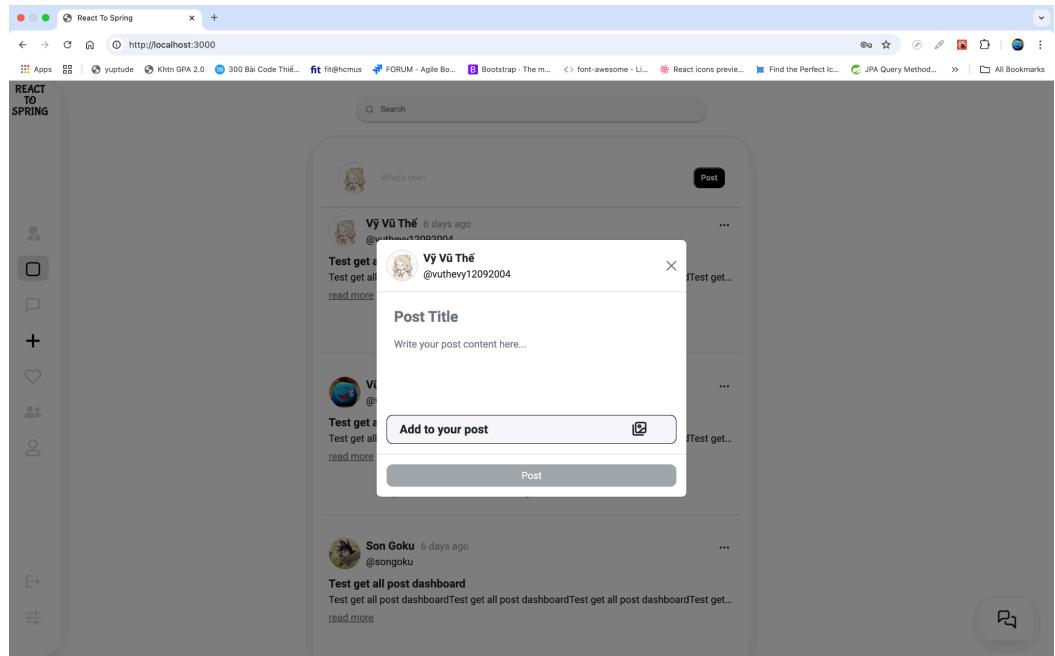

### Description:

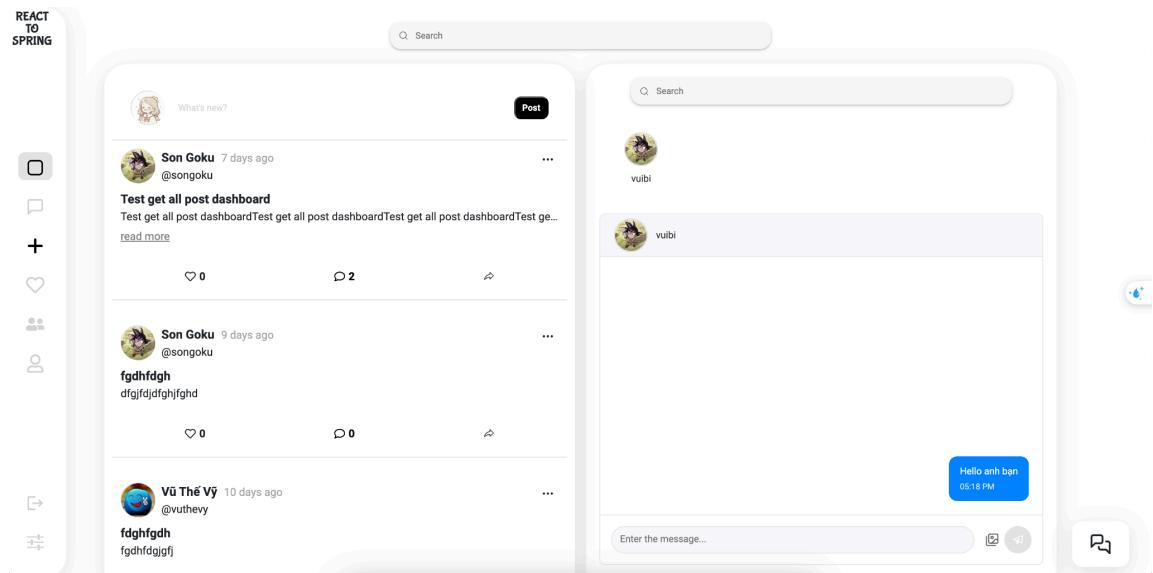

- This is the main page, containing posts from other users. Users can scroll to see more posts.
- At the top is a dialog box where users can add a post. When clicked, a form appears for entering post-related information.

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

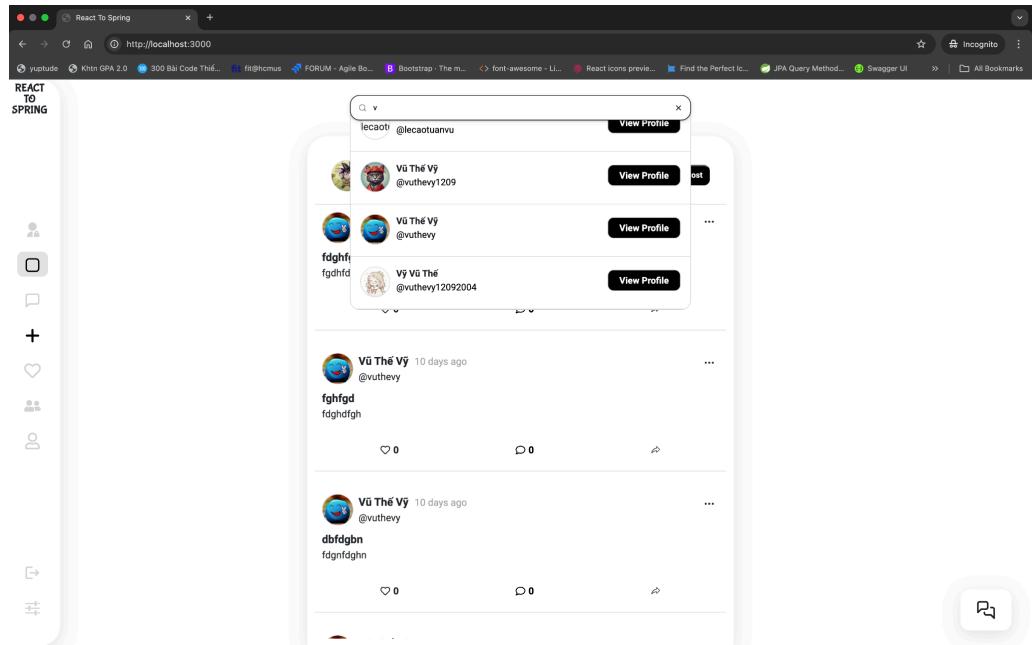

- At the bottom left corner, there is a "message" button. When clicked, a dialog box opens for users to send messages.

- On the left is a menu bar for navigating to other pages.
- At the top is a search bar. If the user types without pressing enter, it searches for users. Pressing enter redirects to the search page.

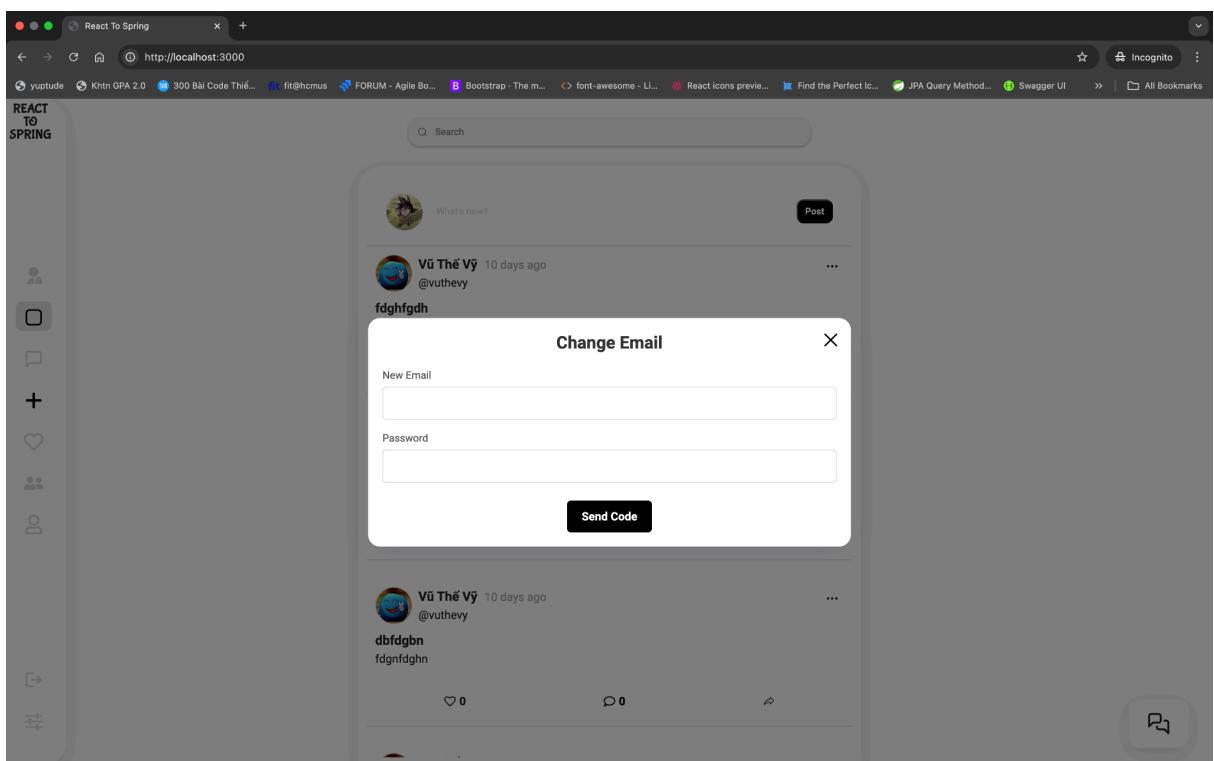

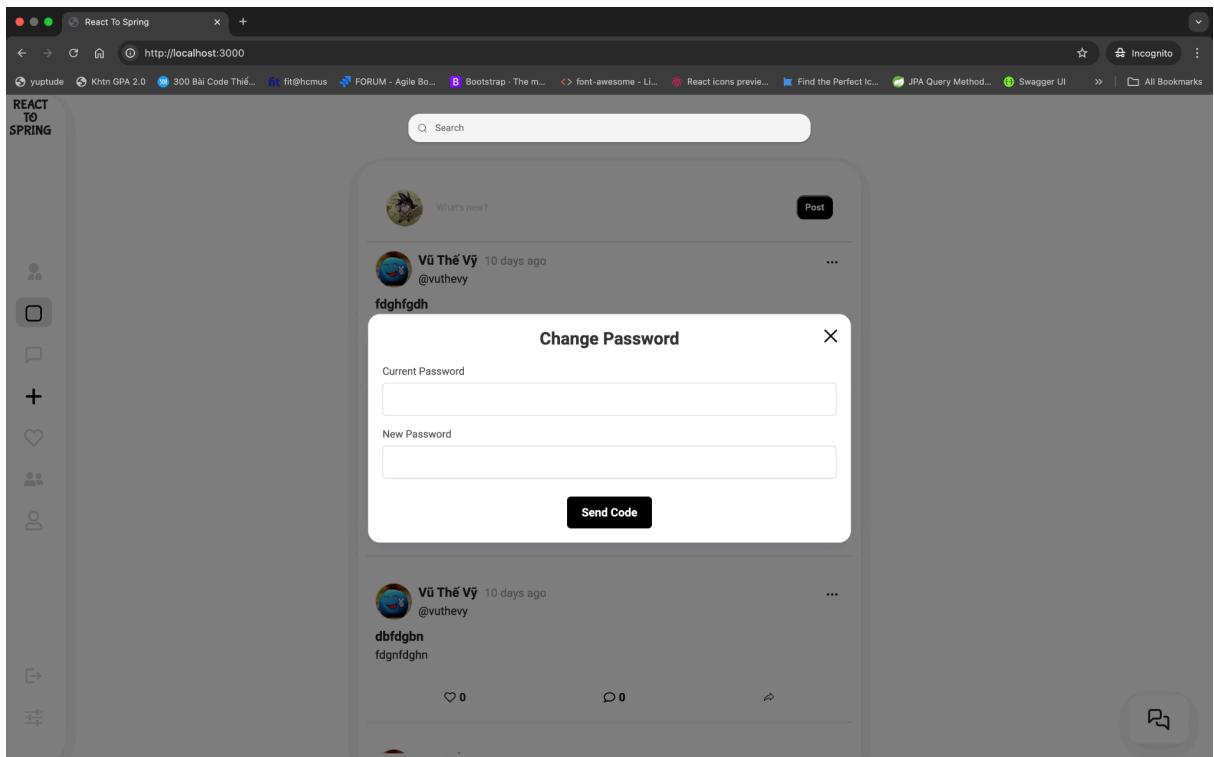

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

At the bottom left corner are two buttons:

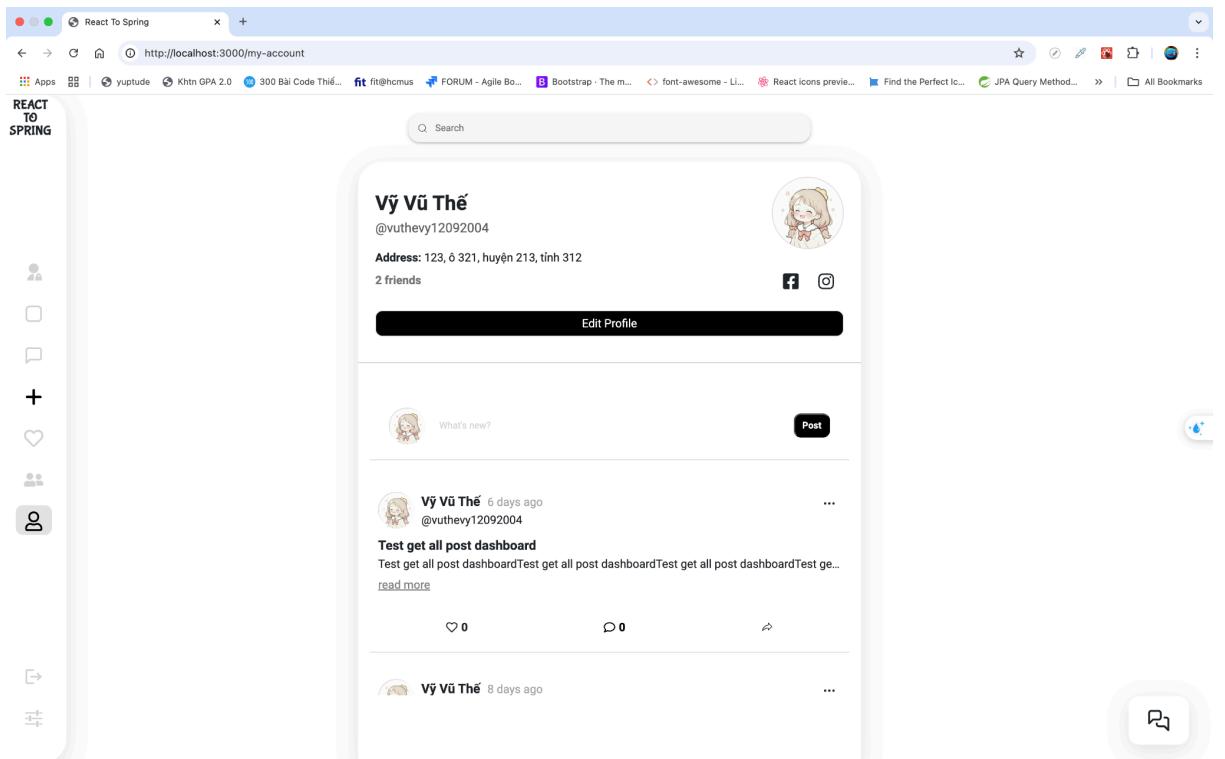

- **Logout:** Logs the user out of the forum.
- **Change Password/Email:** Opens functionality for changing passwords or email.

### III. My-Profile Page

Description:

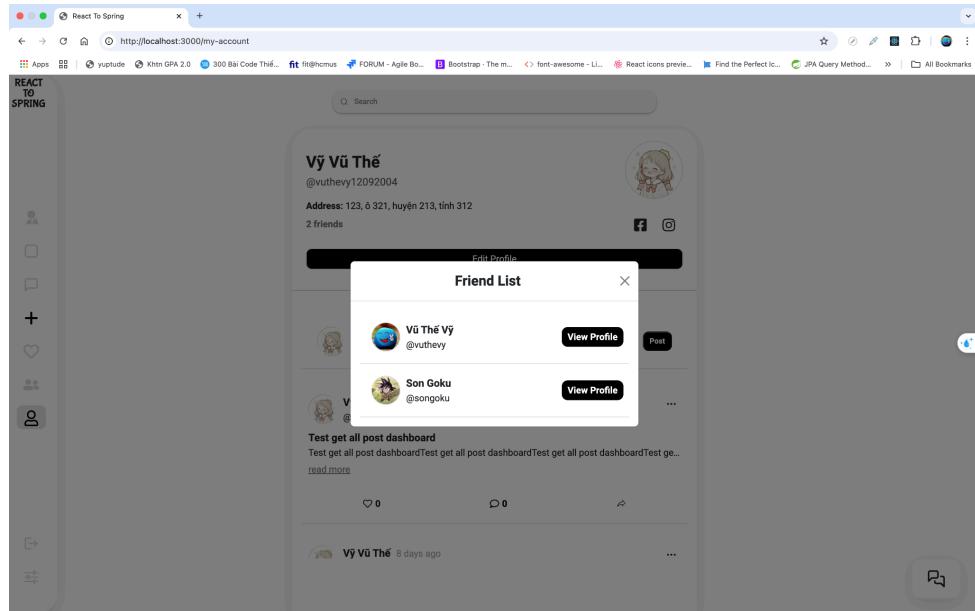

- This is the user's personal page, displaying personal information and previously posted content.
- Users can click "Edit Profile" to display a form for updating information.

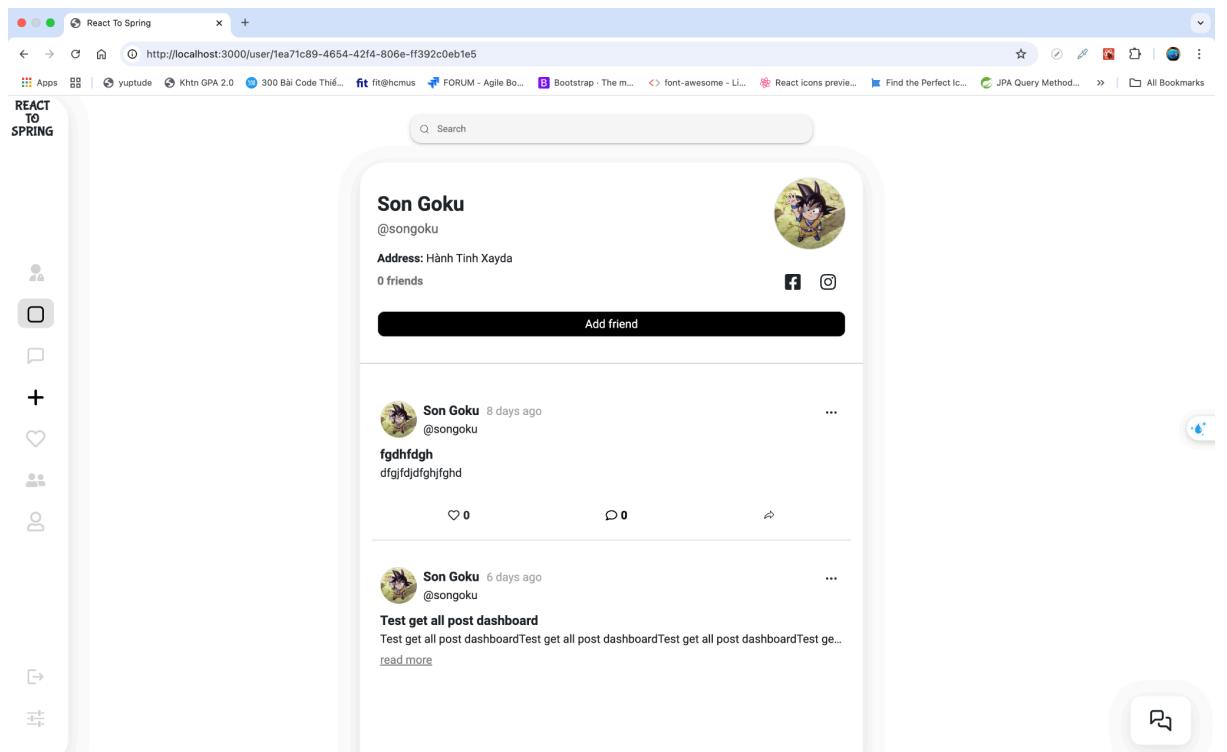

- The post-adding section is similar to the dashboard.

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

- When clicking on the "Friends" section, a friend list is displayed.

## IV. User Page

### Description:

- The User page contains personal information and posts by that user.
- Clicking "Friends" shows the friend list (similar to My Profile).

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

- There are 4 friend statuses:
  - **Not friends:** Displays an "Add Friend" button. Clicking sends a friend request to the other user, changing the status to 2.

### Vỹ Vũ Thê

@vuthevy12092004

**Address:** 123, ô 321, huyện 213, tỉnh 312

1 friends

Add friend

- **Friend request sent:** Displays the "Friend request sent" status. Clicking cancels the request and reverts to status 1.

### Vỹ Vũ Thê

@vuthevy12092004

**Address:** 123, ô 321, huyện 213, tỉnh 312

1 friends

Friend request sent

- **Friend request received:** Shows options to "Accept" or "Decline." Accepting changes the status to 4. Declining reverts to status 1.

### Son Goku

@songoku

**Address:** Hành Tinh Xayda

0 friends

Decline

Accept

- **Friends:** Indicates the users are friends. Clicking removes the friend status, reverting to status 1.

### Son Goku

@songoku

**Address:** Hành Tinh Xayda

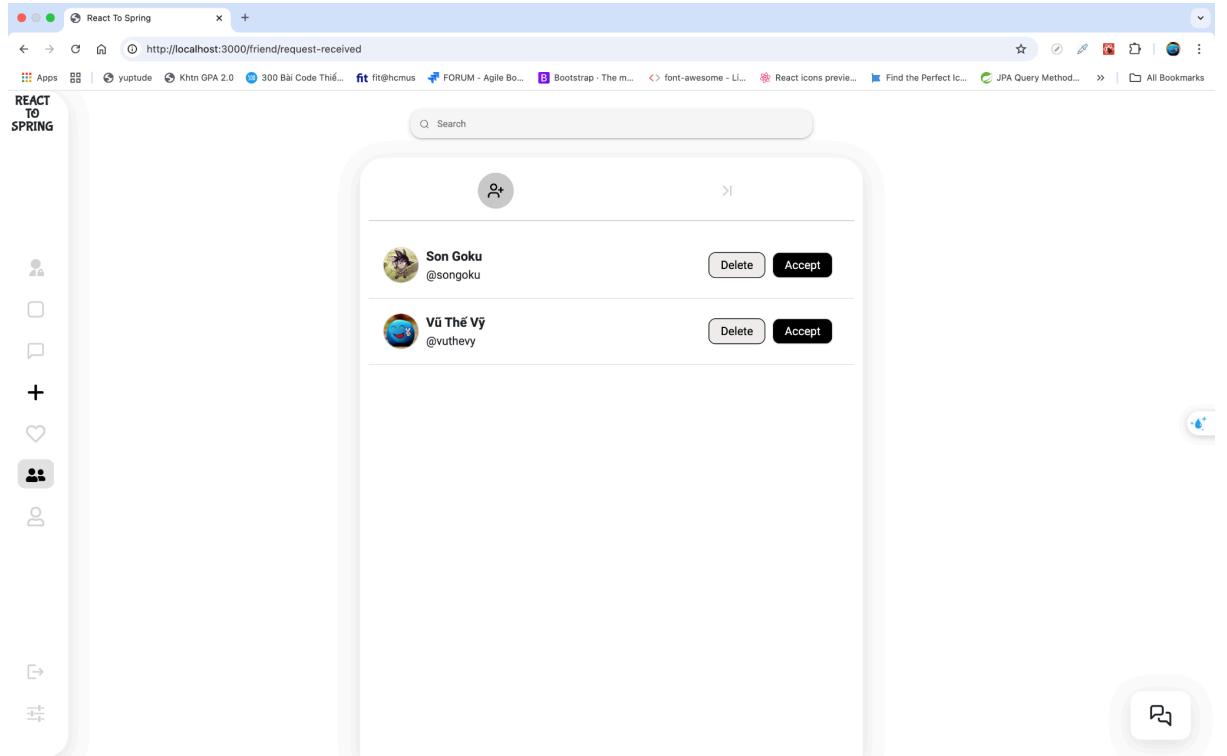

1 friends

Friend

Forum	Version: 1.0

DOC-4	

## VI. Sent Friend Requests Page

### Description:

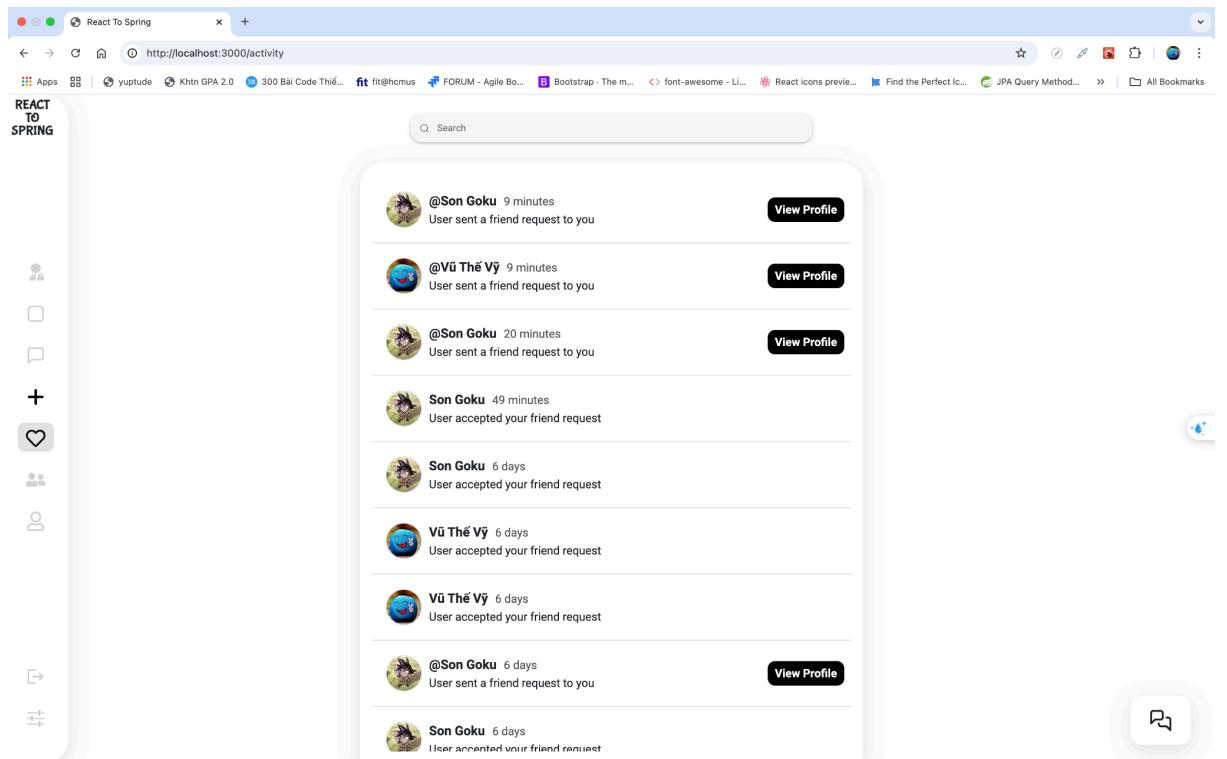

- Displays all sent friend requests. Users can click "Revoke Friend Requests" to cancel them.

Friend request has been revoked

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

## VII. Active Page

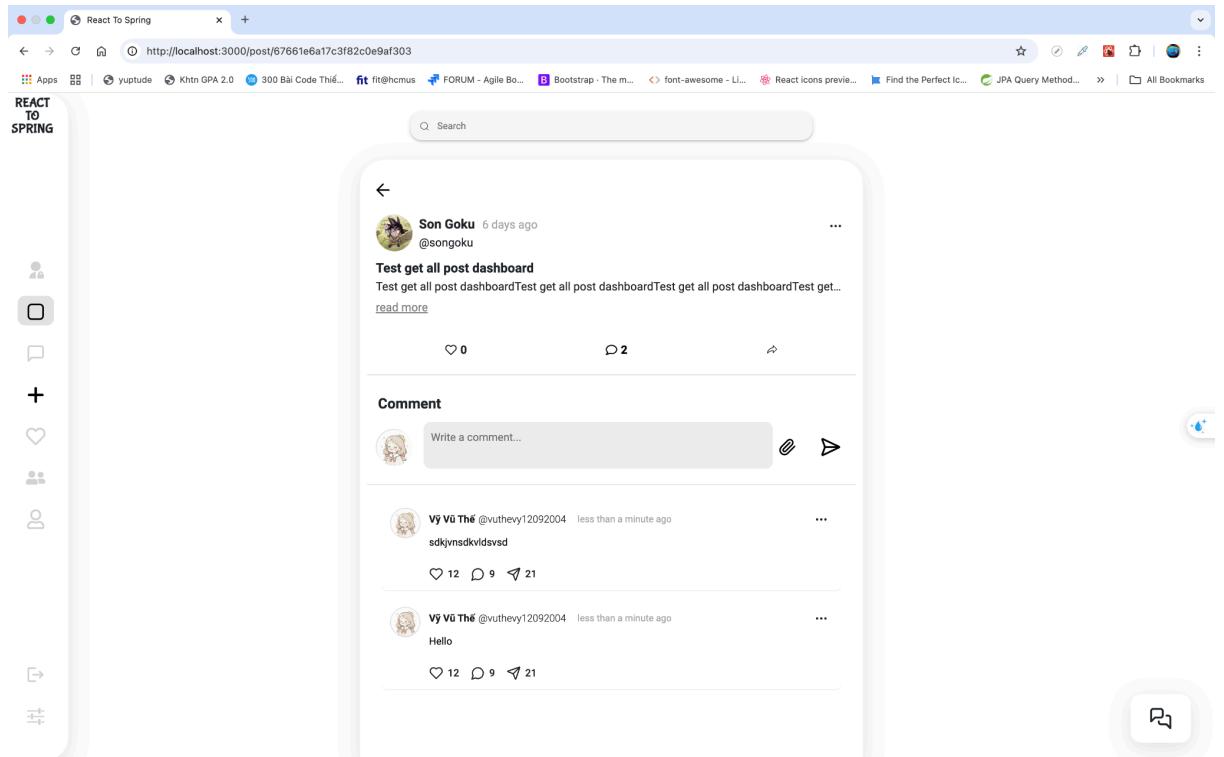

### Description:

- Shows notifications like friends posting, reacting, or commenting on posts, sending friend requests, or accepting requests.
- Friend request notifications include a "View Profile" button that redirects to the User page for confirmation or rejection.

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

## VIII. Post Details Page

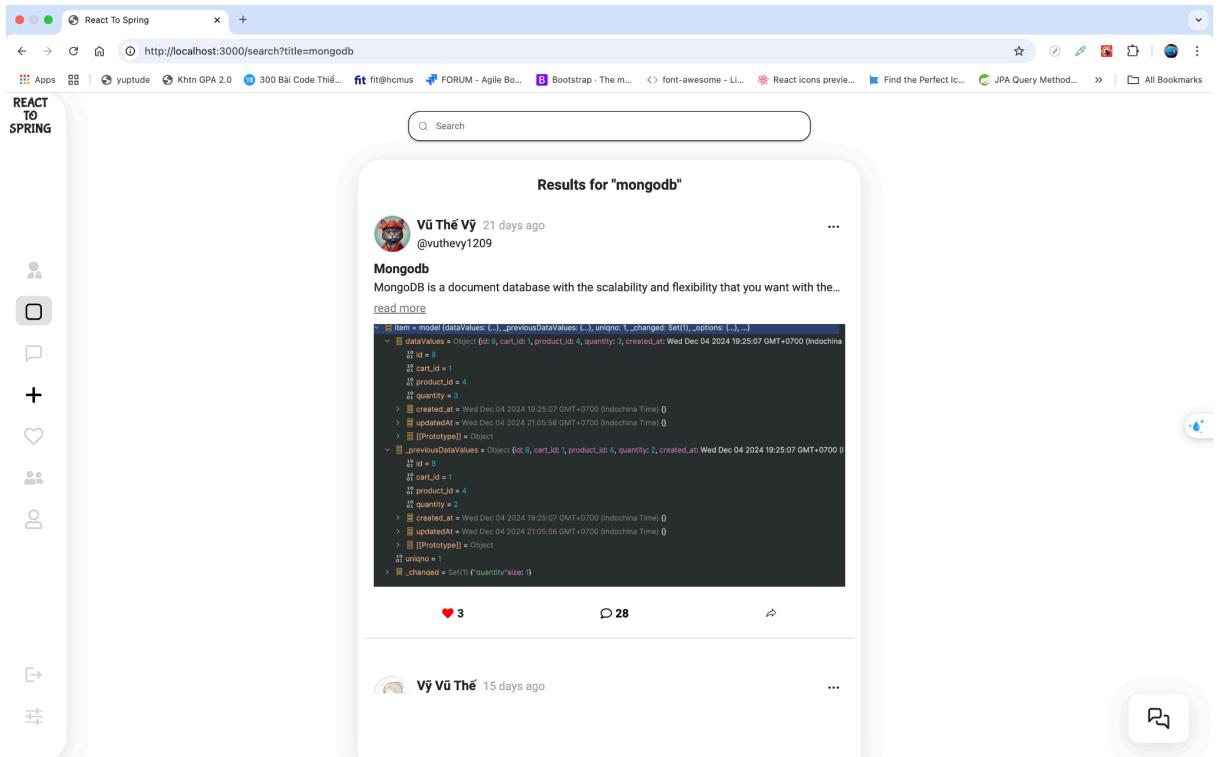

### Description:

- Displays comments on a post and allows users to add comments..
- At the top left is a "Go Back" button. Clicking redirects users to the dashboard.

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

## IX. Search Page

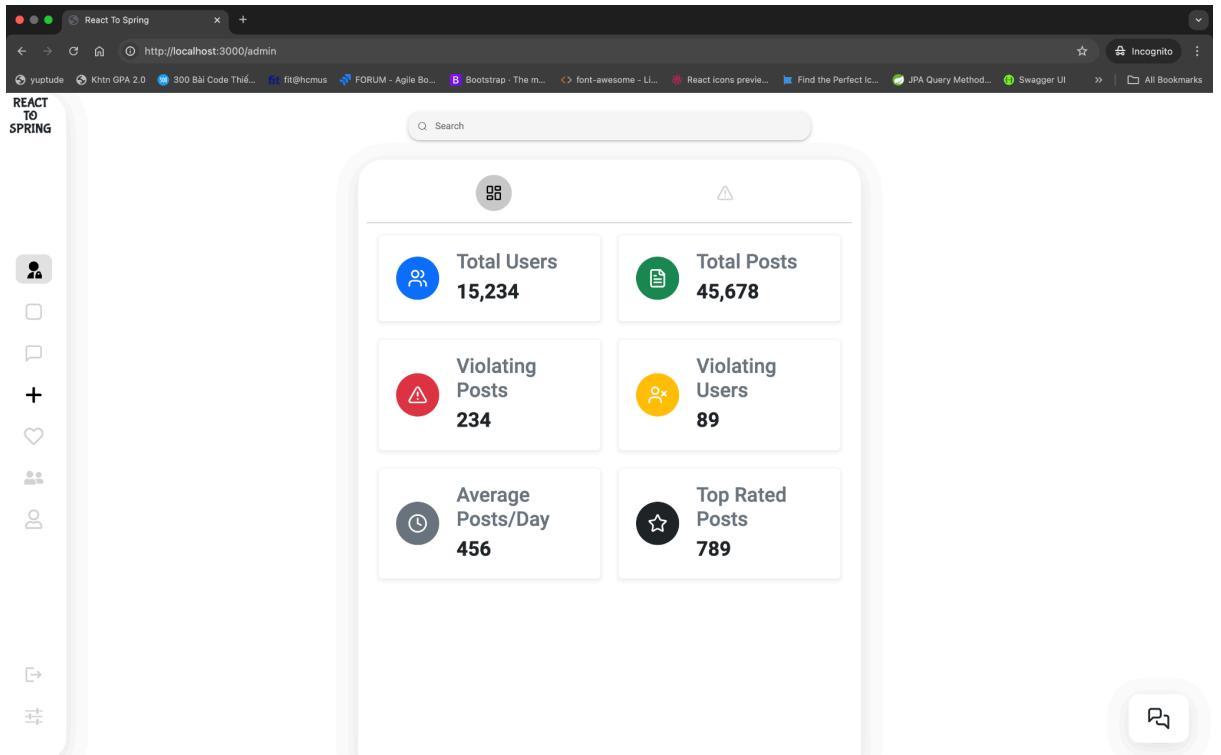

Description:

- Displays posts matching the title entered in the top search bar.

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

## X. Admin Dashboard Page

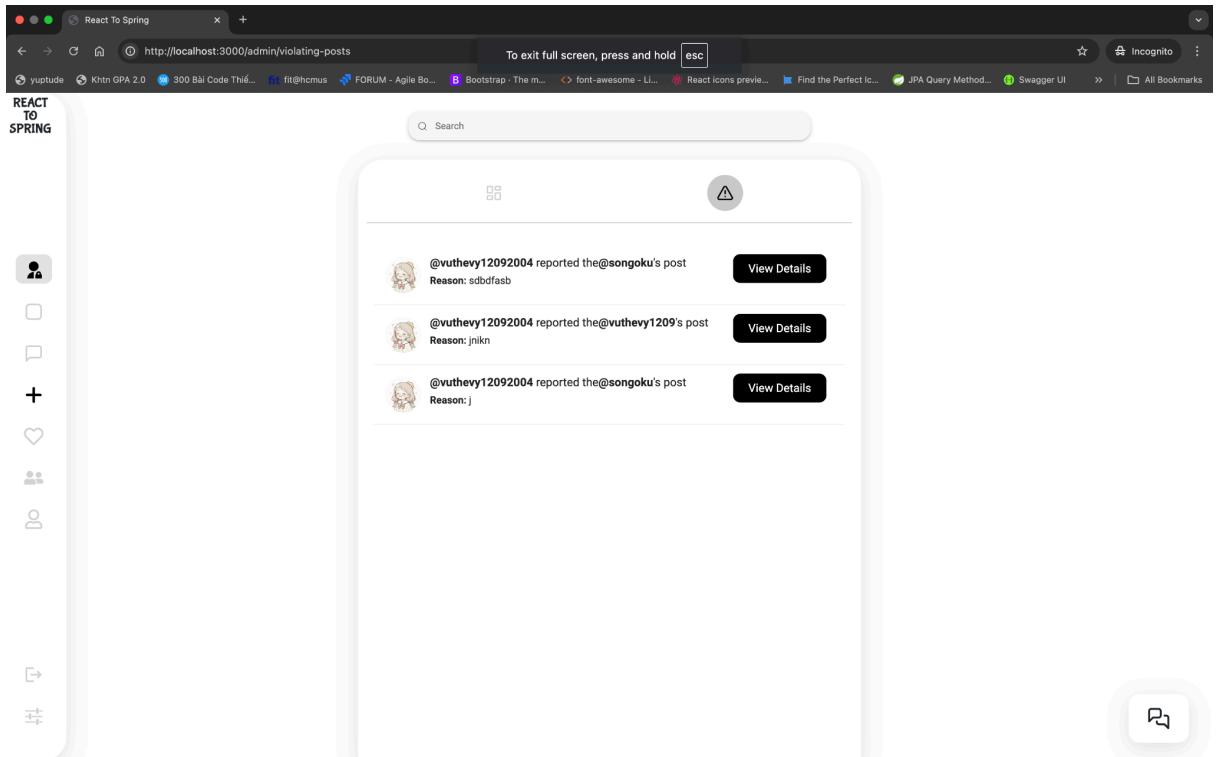

Description:

- For admin use only, displaying general information like the number of users and posts,...

Forum	Version: 1.0
UI Prototype	Date: 28/12/2024
DOC-4	

## XI. Admin Violating Posts Page

### Description:

- Dedicated to admin, showing posts reported for violations.
  - There, the admin can review and decide whether to delete the post.
- Clicking "View Details" displays the details of the reported post.
